

Attendance Policy

In order to be able to continue to serve as many families as possible, RAD Camp adheres to the following attendance policies.

As a returning camp family, should your camper choose not to attend camp one summer or if your camper is unable to attend and you have notified RAD Leadership of the reason, we will hold their spot for the following summer.

If your camper does not attend two consecutive years of camp, they will be placed on the waitlist. Should they wish to attend camp again in the future, please notify us as early as possible and we will do our best to accommodate your request, should a spot become available.

For currently registered campers, if after completing payment and registration, your camper is no longer able to attend camp please let us know ASAP and we will refund your payment in full . After June 1, we will not be able to process any refunds or cancellations unless it is for a medical reason and a doctor's note is provided however we can roll payment over to the following year.
